

## Lincoln Iris Society Show Results – May 25, 2013

---

The 2013 show was smaller than in previous years, but every bit as interesting. This was the year for historic irises. Historics won Best of show (**Miss Aravilla**), Best Bicolor (**Gracchus**) and Best Youth Specimen (**King Midas**). The season was late, but the selection ranged from SDB's to Siberians. There were two firsts in this show: 1<sup>st</sup> and 2<sup>nd</sup> runners-up for Best in Show were chosen by the judges and we offered a pre-sale option as part of our annual sale. The absolute best thing is that we had twenty people enter the show this year, which may be a record high! Congratulations to all the winners!

**20 Exhibitors: 17 adults** – 123 entries, **3 youth** – 5 entries

**Total entries (128)** - 119 stalks, 2 seedlings, 1 collection and 6 arrangements

**Breakdown by Categories** - 0 MDB's, 6 SDB, 21 IB's, 9 BB's, 2 MTB's, 51 TB's, 0 AB, 5 Siberians & Species, 25 Historics, (18 pre 1950 and 7 post-1949), 0 Other Irises, 1 Collection, 0 English Boxes, 2 seedlings, 6 arrangements and 0 educational exhibits.

**Judges** for the show were Carolyn Lingenfelter and Marjorie Jansen of Norfolk, Nebraska.

**Following are the awards chosen by the American Iris Society accredited judges**
