## **President's Message**

*David Lionberger*

Thanks to our members who volunteered to staff the LIS Booth at the Husker Lawn & Leisure event March 8-10. A special 'thank you' to Karl and Lois Linke for taking the leadership in preparing for this event. Their work in setting up our display, enlisting volunteers, and arranging schedules is much appreciated. They also worked a long shift on Friday afternoon and evening to ensure we were off to a good start. Their contribution of time and labor was a major factor in the success of this activity. From the members I talked to, their reports were positive with the number of contacts made with interested parties. The traffic past our booth was about the same as previous years, and our handouts were readily received. The forecast for stormy weather over the weekend was cause for some concern and cancellation of our participation was considered. The decision to proceed was made. The weather was not too bad, and all in all I think everyone involved would agree it was a worthwhile project that ended well. The weather has been a factor in just about everything we do this winter and of course was the reason for cancelling our February regular meeting. There were some important items on the February agenda which will need to be addressed this month. Hopefully March will go out like a lamb and we can have our March meeting. See you there!
